Respected Sir,

P.W. No

Sub: Petition for acquiring land for house-building in Hospet and wet lands in Venkatapuram, Hospet Taluk.

Rev G.O. 7708 4/50-1 11.2.50

About 2 or 3 months back, the Special Officer of the Tungabhadra Project was camping at Bellahunasi. At that time, about thirty persons belonging to the submerged area of the Thamberhalli Village presented a petition to him for the grant of house-sites in Hospet and wet lands in Venkatapuram, Hospet Taluk. The house site in Hospet asked for belongs to Sri Gavi Siddheswaraswami, Koppal. The details are contained in Patta S.N.No.38 for 5 acres and 40 cents and the tax paid is Rs.4/12/-. The boundaries are as follows:-

On the East is Railway Station Road:

On the West are properties belonging to Ranga Rao and R.Venkoba Rao:

On the South do. do. do.

On the North are properties belonging to Veeraswamy Naidu:

We requested the Special Officer during an interview to allot to us the house site mentioned above and he promised to do his best for us.

After this, an Officer deputed by the Special Officer visited the Thamberhalli Village and made enquiries about the house site of one Mr. K.Ramachandrappa one of the petitioners and without ascertaining from anyone else pleaded that the land

referred to by us was under a hundred years lease to some body else and that it was not available to us. The information gathered by the Officer is incorrect and the land is still available and has not been given to anyone else either on lease or as a sale, to the best of our information.

There are other lands belonging to Sri Gavi Siddheswaraswami, Koppal, the details of patta are not available.

As the submerged Tungabhadra Project area will be complete in 2 or 3 years, we are very anxious that the lands mentioned above intended for house-sites should be acquired as early as possible so that we can make necessary arrangements for the purchase of the necessary articles for house construction, such as:-

Lorries
Tractors
Wooden & Iron articles
Zinc Sheets

at CONTROLLED RATES.

It is also essential that necessary instructions should be issued to Railway Authorities for the quick transport of the plant and machinery purchased for the purpose.

We hope, Sir, that you will do everything necessary for acquiring the house-sites mentioned in the petition and for issuing instructions to Railways in the quick movement of articles whenever offered at stations.

Thanking you in anticipation,

Yours faithfully,

Kinnimatad Gavisiddappa
